

Hospitality Committee Report

The Hospitality Committee is made up of Kathleen Morin, Sally Knowlton and Louise Matteson. These ladies have been very busy this year. They along with help from many others, have cleaned out and organized the closets, and made lists of all the supplies, both what we have and what we need. That way we can keep on top of things and never run out.

The Veteran's Luncheon went very well with lots of donations and lots of volunteers. It was suggested that we change the time next year because several towns have a brunch on Veteran's Day. After brunch, no one is hungry at noon. Four o'clock was proposed with the idea that many seniors do not like to drive after dark. It was also proposed that we visit more local businesses for donations. We found that the stores in this area are very generous for Veterans as well as for local people. Perhaps the Deacons could get donations for the Senior Lunch too.

We are very appreciative of all the help our congregation gives whenever we ask for food, cookies, snacks and volunteer help.

Thank you,

The Hospitality Committee
